

New Artist Of The Month At The Library

There's a new Artist of the Month at the Wasatch County Library! Margene Tadd is the sponsored artist for this month at the library. She says "I'm basically self-taught. I get most of my instruction from books and my inspiration from nature." Margene has several works of art available for viewing, her favorite mediums are colored pencils

and watercolor.

Margene has also recently turned this talent into a business. "I began making greeting cards for my family and with their encouragement and support I am now in the early stages of starting a greeting card business, A Tadd Better Greeting Card." She will have a Website up and running in March, so look

for her cards there. You can also reach her by e-mail ataddbetter@shadowlink.net or 654-0074.

Margene would like to thank all of those who have supported her in this endeavor, especially her family. You can get a taste of Margene's fabulous art now through April 3rd at the Wasatch County Library.
